

THE RYAN FOUNDATION, INC.

3701 E. JOPPA ROAD
BALTIMORE, MD 21236

Sept. 2008

Dear Sunpowder Golf Club Members,

On behalf of Andy, myself, my children, my parents, and my entire family, I would like to say, "Thank You!" The golf event this year was so amazing! Each year we are so grateful to each person that comes out to support our Ryan Foundation and the Johns Hopkins Onc. Center. This year you all went over and above anything we ever expected. We want everyone to know how much it means to us to be able to remember our son, Ryan, in such a meaningful way. All the money that you raised for the Ryan Foundation goes directly to help children battling cancer! With your dollars, we help so many little ones that haven't even gotten a chance at life yet. You have helped to give them hope and put smiles on their faces.

The golf event was well organized and fun! We know how much work it takes to plan, get sponsorships, players, etc. We really appreciate every single ounce of time, support, and love that you all put into making it such a HUGE success!

We want you all to know that 100% of the money raised goes to helping the children at the Johns Hopkins Children's Center. Since the golf day in July, we have used the money to personally buy three Rocking chairs to put on the Children's cancer floor at Hopkins. Now, the parents can rock their sick babies peacefully through the night. Something much appreciated by all the parents!

I also bought blank t-shirts (600) to take to the "Camp Sunrise" so they could tie-dye them at camp. This is a camp for children battling cancer, in remission, and their siblings.

Also, we bought a bunch of hats for the kids to wear, and bandanas! And a lot of arts and crafts for the kids to do while in their hospital beds! Already your dollars have helped so many kids!

Thanks for everything! A special and huge thanks again to Mr. Paul Amiralet and his family, and Mr. Cole and family for their very generous donation! of which we were speechless!) God Bless!

Thanks,

Keeli & Andy
members of The Ryan Foundation
